Minutes of Board of Commissioners Meeting

March 27, 2019

Chief Report:

Vehicles and Equipment:

- Engine 84 leaking pipes, air leak at pump, leaking water tank and sagging suspension. Getting estimates for repairs.
- Engine 81 dash and gauge repair
- Unit 82 front end and injector
- FP 81 Body mounts
- Cargo trailers tire replacements

Annual Testing and Inspection: Hose and hydrant inspections and pump tests are being scheduled.

Training: The Fire/Rescue 1 Academy courses previously assigned for all personnel by chief Glynn are being brought up to date. Currently working with Capt. Givens to resume the scheduled assigning to stay up to date. Volunteer personnel Cameron Waguespack is attending class being conducted at FD11. His hear was insufficient to participate in live fire drills. Permanent gear was ordered on 3-18-19. Due to back order, loaner gear was provided by Louisiana emergency equipment at only the cost of cleaning once returned. Phillip Abadie was originally signed up, but was later notified that he will not be attending.

Emergency Reporting: All NFIRS reports for February were completed and have been forwarded to the Louisiana State Fire Marshal's Office for submission to USFA.

Station Improvements: Both sets of stairs have not been completed. They are missing securement components in multiple areas.

The fuel area has been mostly completed. More dirt was brought in than additionally estimated due to the ground condition. The containment was pressure washed, cracks repaired and coated with white sealer paint. Both tanks are set in place and the light pole as well. We are awaiting the electrical to be installed than the fence will be re-installed with gate.

2 Loads of gravel will be needed to top off the parking lot where the limestone stops. \$450 per load

Station 81 bay lights completed/other outside lighting being addressed for safety ad operational reasons.

Station 82 remodel plan. Working on getting bids for approval of renovation.

Firefighter Illness and Injury: Part Time Firefighter Darvin Irwin has returned to full duty.

Personnel: Part time employee Joe Ball has started the steps of employment. To be hired upon successful completion of all required tests and screening. Upon motion by Slifer and seconded by Battaglia

Issues and concerns:

Issue with patient being dropped. Will follow up on the findings.

Minutes of Board of Commissioners Meeting

March 27, 2019

Pest Control – we will stop using the current company due to still having issues with pest and we will start treating pest ourselves.

Garbage service - station 82 /83 men are not bringing their trash out

Floor coating all stations - We got estimates on coating the floors of the stations. We will consider this and possibly do one location at a time as it fits into the budget.

New push mower was purchased. Cheap as possible from Lowes.

Cleanup and organization of all stations have begun

We are having many issues using the scheduling program Netduty so will check into using Crewsense which some other stations currently use.

Updating some SOP's and will email them to the board for approval.

Chief's Association: Minutes for the February meeting and the agenda for the March meeting will be made available upon request.

New Business:

Cindy Frank was hired as the new Board Secretary.

Civil Service Board Appointment: Johnny Garcia Motion by Slifer and seconded by Battaglia.
