Fire Chief (Competitive Class)

DISTINGUISHING FEATURES OF CLASS

This class encompasses the position of the chief officer in charge of all fire department operations. The Fire Chief is directly responsible for the organization and administration of the department, for public relations, and for employee supervision.

The Chief is also responsible for public education and fire prevention, as well as directing all fire suppression operations of the department. The Fire Chief has the authority and responsibility to operate independently in planning and overseeing the work of the department and is accountable to the St. Tammany Parish Board of Commissioners, Fire Protection District #8, hereinafter referred to as "Board of Commissioners."

EXAMPLES OF WORK

Examples listed below are illustrative only. They are not intended to include all duties which may be assigned. Neither are they intended to exclude other duties which may be logical assignments to this class.

- Manages the total operation of the fire department. Develops management policies, and determines goals and objectives for the department. Organizes the department in order to best utilize available resources in providing fire protection services for the community. Develops and implements a safety program and a report review system for the department. Monitors any local conditions which may create situations the department may be called upon to handle. Evaluates the training needs, establishes a training program for the department, and maintains the program by seeing that it is properly staffed and supplied with training resources.
- Organizes the personnel management functions of the department. Interviews prospective employees and makes recommendations for hire to the Board of Commissioners. Reviews incoming communications, making assignments to staff and writing comments and notes as necessary in order to route work to the appropriate person or location. Establishes and maintains a system of personnel inspections, grievance resolution procedures, and a departmental program for internal affairs. Determines performance standards for department personnel and procedures by which performance may be evaluated. Uses information gathered in performance evaluations to make decisions concerning the need for job rotation or specialized training. Acts as department representative to the news media and the public, releasing information and answering questions concerning the work of the department. Coordinates special projects and other work of the department with related federal, state, and local agencies. Promotes a positive image of the department in the daily performance of duties by interacting with community members, including making speeches before school or civic groups. Develops a public education program to meet identified community needs and determines target areas for fire prevention efforts. Develops and implements an emergency management system based on an identification of potential hazards facing the jurisdiction and an assessment of the capabilities for dealing with those hazards.

EXAMPLES OF WORK (Continued)

- Directs and controls fireground operations. Supervises and directs subordinate employees at the scene of an emergency in all procedures relating to fire suppression, including the containment of hazardous materials, rescue, emergency medical services, fireground communications, salvage and overhaul, pre-fire planning, fire investigations, and related duties. Holds meetings with subordinates in order to receive reports and disseminate information. Adjusts work schedules and approves leave. Evaluates the performance of subordinates and writes evaluation reports. Handles employee complaints, grievances and maintain discipline. Determines what information should be included in all records of the department and in what form these records should be kept. Provides for the security and maintenance of all department records. Personally completes forms and records, compiles and organizes data needed for reports, and writes letters to address the needs of the fire service. Supervises the general care and maintenance of all fire department apparatus and equipment, including seeing that repairs are performed as required. Assists the Board of Commissioners in purchasing equipment and supplies and evaluating specifications for new fire department equipment. Performs any related duties assigned.
